A Classical Education: The Stuff You Wish You'd Been ...

Classical education is a long tradition of asking questions and digging up answers, consulting others, then asking, seeking and finding once more. It is joining, as one writer puts it, the "Great Conversation." That means reading great books (the classics), studying them, mining them, talking to others about the influential ideas they contain.

An Introduction to Classical Education

A classical education capitalizes on the fact that we learn in three stages: Grammar stage: We memorize the vocabulary and basic facts related to a subject. Dialectic stage: We learn to sort, analyze, and understand the vocabulary and facts.

Essentials | Classical Conversations

The "classical education movement" is a form of education that emphasizes history, literature and language studies within a modern school framework. The term "classical education" has been used in Western culture for several centuries, with each era modifying the definition and adding its own selection of topics.

Classical education movement - Wikipedia

About Classical Stuff You Should Know is a podcast about the classical world. We discuss literature, philosophy, history, art, the soul of man, and education, all within the framework of a classical, Christian worldview. Our aim is to aid both educators and laymen alike as they delve into the classical world.
