We are basically trying to find something that integrates with Inventor. When something changes in Inventor, you just need to open the parts manual and it updates automatically. Also, something that integrates the BOM's so they don't have to retype them or export them out, which also gets updated automatically.

Parts Manual - Autodesk Community

As of November 7, 2020 Autodesk will no longer offer new subscriptions for Autodesk® Inventor LT™ and Autodesk® Inventor LT Suite. One-year subscription or maintenance renewal is available until May 7, 2021. These changes to the Inventor family of products do not affect Inventor Professional or the Product Design & Manufacturing Collection.
