DO automate your bill paying as much as possible and DO establish a monthly review of your bills to make sure the automation works. Scheduling - If you use an electronic calendar, you can set up recurring appointments so you don't have to remember to update your calendar. This is helpful for events like classes, meetings and appointments.

Here's How to Use Automation to Increase Productivity and ...

Your alarm wakes you up at the same time every day. You've got a programmable thermostat. You have the same thing for breakfast every day. You get your coffee from the same barista at the same Starbucks at the same time every day. Why do we do that? Because routine is easy. Things become habits when you automate them.
