This book of our allusive King Arthur is wonderful, but it does beg for a sequel to it to continue the story. I loved the Tie in from the Ancient past to the Reincarnated Modern day fight from the same Soul that fought for his country. I also loved how Stephen Lawhead brought in the Avalon part of the Story.

Avalon was associated from an early date with mystical practices and figures such as Morgan le Fay. It is often identified as the former island of Glastonbury Tor, which the later English variant of the legend made the place where King Arthur was taken to his final rest.

Avalon - Wikipedia

King Arthur's messianic return is an aspect of the legend of King Arthur, the mythical 6th-century British king. Few historical records of Arthur remain, and there are doubts that he ever existed, but he achieved a mythological stature that gave rise to a growing literature about his life and deeds.

King Arthur's messianic return - Wikipedia

It's straight out of science fiction. But, let's give you the dry version. A Ceramic Coating is a liquid polymer that is applied by hand to the exterior of a vehicle. The coating chemically bonds with the vehicle's factory paint, creating a semi permanent bond and layer of protection. It does not wash away or break down and does not require repeated application every few months.
