Eyes Of The Woods Eden

Eyes of the Woods is a debut novel by fifteen year old, Eden Fierce. It is a paranormal fantasy book where two sides have been involved in a conflict for years. This book was a very quick and short read. It has less than 300 pages yet it felt as though so much has happened throughout the whole book. For that reason, I really admire Edens writing.

Review: Eyes of the Woods by Eden Fierce

Eyes of the Woods was refreshing, thrilling, and quite imaginative. There's a little bit of romance, some rebellion, familial ties, obligation....basically everything to keep you invested in the words without ever feeling overwhelmed. Eyes of the Woods was a phenomenal, multidimensional story with exploration into complex relationships.
