Political Theory” and “political treatise” redirect here. For the work by Baruch Spinoza, see Tractatus Politicus. The School of Athens, a fresco by Raphael. The constitutions of Hindu states evolved over time and were based on political and legal treatises and prevalent social institutions.

Why is normative political theory important ...

Decision theory (or the theory of choice not to be confused with choice theory) is the study of an agent's choices. Decision theory can be broken into two branches: normative decision theory, which analyzes the outcomes of decisions or determines the optimal decisions given constraints and assumptions, and descriptive decision theory, which analyzes how agents actually make the decisions they do.
