But a baker's dozen is commonly understood to mean 13. Are bakers just bad at counting? Not quite. There are a few theories as to why a baker's dozen became 13, but the most widely accepted one has to do with avoiding a beating. In medieval England there were laws that related the price of bread to the price of the wheat used to make it.

Why Is a Baker's Dozen 13? | Britannica

The signature bake required the making of 36 identical savoury crackers, with a complimentary spread, in 90 minutes. In the technical challenge, Kyla asked the bakers to make a dozen marshmallow puff cookies, in one hour and 20 minutes. For the showstopper they were asked to create a fantasy scene made out of cookies, using at least two different types of cookie dough, in four hours.
