An overhauled engine continues the story of its life in the same logbook it was born with. Only the manufacturer, or a facility it approves, can rebuild an engine. Representatives of Lycoming and Continental have both told me that no facilities are currently authorized to rebuild engines outside their respective factories.

Alhumdulillah we at our garage have completed a rebuild of the engine and Head of Daihatsu Copen in 5 days. Today was the initial test drive and by the grace of Allah Paak, the rebuild has been flawless. The car had broken valves, damaged head and valve seals and damaged pistons. The damage is pretty evident in the pictures. There is a bit of information and some learnings which I will share ...
