Pearson Education Guided Reading Government Chapter 13

The practice of guided reading is based on the belief that the optimal learning for a reader occurs when they are assisted by an educator, or expert 'other', to read and understand a text with clear but limited guidance. Guided reading allows students to practise and consolidate effective reading strategies.

Guided reading - Department of Education and Training

In June 2012, New York parents protested against Pearson designed reading tests that included stand reading passages and meaningless choices. The question that must addressed is whether the British publishing giant Pearson and its Pearson Education subsidy should determine who is qualified to teach and what should be taught in New York State and the United States?
